Dear Partner,

REVOLUTIONARY BREAKTHROUGH

On October 14, 1947, Captain Charles E. “Chuck” Yeager became the first person to fly faster than the speed of sound. At 10:30 a.m. on that fall morning, Chuck piloted the X-1 to a speed of Mach 1.06 (700 mph) at 43,000 feet above the high desert of California. The sound barrier that many feared was broken.

Finding a man willing to risk the unknown of supersonic flight proved to be difficult; no man had ever been there. Some pilots called supersonic flight the “monster” while others called it the “ughknown.” Many thought that no pilot or plane could withstand the stress of flying at such a speed. Others speculated that as soon as the sound barrier was broken, the airplane would disintegrate.

A POKE THROUGH JELLO

A pioneer and an American hero, Chuck Yeager determined he would be the first to break the sound barrier. With this historic flight, Yeager ushered in the beginning of America’s launch into outer space and NASA’s modern space shuttle. Breaking the sound barrier also broke the fear of the unknown. Yeager later described his supersonic flight as “a poke through jello,” “sipping lemonade on the front porch,” and “a perfectly paved speedway.” The real barrier was not in the sky; it was in man’s lack of knowledge regarding supersonic flight.

THE SPIRIT OF WISDOM

Christians often face challenges and barriers doing the will of God. Even the most difficult barriers can be broken, and believers can go to places in God they have never been. The Apostle Paul’s prayer in Ephesians 1 contains the necessary ingredients for every Christian to breakthrough any barriers they may face.

That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, And what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power, which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come: And hath put all things under his feet, and gave him to be the head over all things to the church, Which is his body, the fulness of him that filleth all in all.

Ephesians 1:17-23

The Apostle Paul called this necessary ingredient the spirit of wisdom and revelation. That is the main focus of this prayer and the greatest need of every believer. As Chuck Yeager used the X-1 as the vehicle to break the sound barrier, **the spirit of wisdom and revelation is the vehicle that enables believers to see things they have never seen, to go places they have never been, and to receive things they have never received.**

Since 1947, the X-1's original breakthrough to the supersonic speed of Mach 1 (700 mph) has revolutionized our flight capabilities. NASA's X-43A scramjet worked successfully at nearly Mach 9.8 (7,000 mph) on November 16, 2004. The original breakthrough in supersonic flight has had an incredible impact on the future.

God wants you to have more than one breakthrough in your life. He wants you to go from Mach 1 to Mach 2 and all the way to Mach 9.8! God wants you to have ever-increasing breakthroughs in revelation. This prayer in Ephesians is not really asking that God would do something for us, but that we would see what God has already done for us and what already belongs to us in Christ. Paul is praying for a breakthrough in revelation.

BREAKTHROUGH IN REVELATION

The barriers we run into are not because God's plan of redemption is deficient. The real barrier is in our knowledge and understanding of what God has done for us in the death, burial, and resurrection of Christ. We need to see who we are and what we have in Christ. **When we live in the light of revelation knowledge, we will not only enjoy the blessings of God, but we will also fulfill the call of God.**

Every breakthrough in faith comes from a breakthrough in revelation. Every breakthrough in receiving the blessings of God comes from a breakthrough in revelation and understanding. Every advance in fulfilling the call of God in our lives today comes from a breakthrough in the spirit of wisdom and revelation. The power that is available to us as believers is accessed through the supernatural revelation of God and His Word.

When we consistently pray this prayer in Ephesians 1, we will begin to experience breakthroughs and advance in these three areas: 1) The hope of the high calling of God 2) The riches of the glory of our inheritance in Christ 3) The authority of the believer, the exceeding greatness of His resurrection power released toward believers. **With this revelation, we will breakthrough into a new season with new doors opening. The Lord is bringing us out into a large place of abundance. With this revelation, the Body of Christ will reach out, bringing the Good News to this generation!**

Your partnership with us in World Missions is advancing and multiplying the Gospel in more nations this year. In May, MISSION ASIA will include our **first underground meetings in Vietnam**, where we will deliver some "gospel ammunition" to pastors there, which includes the book, "The Spirit of Faith" translated in Vietnamese! Next, we minister in Thailand and the Philippines. We will also minister at Supernatural Leadership Conferences in Brisbane, Australia and in New Zealand. Our books are also being published and distributed in the languages of the masses of people who speak Hindi in India, and Arabic speaking people in Egypt and the Middle East.

We encourage you to get the new messages *The Spirit of Faith - Pioneer Advance*. These messages will help you **break barriers**, leave the past behind and **go into new territory**. For your offering of \$20 or more – we will send you these messages. They will inspire and ignite your faith. Our hearts overflow with gratitude for God's grace that has joined, you, our partners and us together. When you partner in prayer and financial support there are multiplied and amazing results! ***"Being enriched in every thing to all bountifulness, which causeth through us thanksgiving to God," 2 Cor. 9:11.***

In Christ,
